Board Order No. 15-7174 (Circular No. 67) temporarily amends Section One Definitions and Section Thirteen Parking Charges, Item 100 and Item 1300 effective February 24, 2015. This change increases parking rates effective March 1, 2015, for a period of (90) days.

**SUMMARY:** Based on a 2014 parking study and a comparison survey of other cruise terminals, the Port is amending Tariff No. 4 and increasing parking rates in Section Thirteen. Parking rates will not be subject to subsequent General Rate Increases (GRI) because the parking rates have their own increase schedule. Rates that have increased are hourly rates, maximum charge per twenty-four (24) hour day, monthly rates, and we are adding rates for oversized vehicles and allowing the Executive Director to permit a flat fee parking option for special events.

The Port is also updating language in Section 13 by removing reference to the “S.S. Lane Victory”, World Cruise Center, Catalina Terminal, Berths 91, 92, 93, 95, and 96 and re-naming Item 1300 from “Charges for Parking at World Cruise Center/Catalina Terminal” to “Charges for Designated Paid Parking Areas on Harbor Department Premises”.
