SAN PEDRO, Calif. - The Port of Los Angeles will host a community meeting on Thursday, July 21, 2005 from 6 to 8 p.m. to solicit ideas for short- and long-range events for the *From Bridge to Breakwater* development that meet community's needs and wishes, and bring visitors to the area. The meeting will take place at the *From Bridge to Breakwater* Information Center, Brown Bros. Building, 455 W. Sixth Street, downtown San Pedro. The public is invited.

"We want the community to share their ideas and help us visualize events that will enhance San Pedro and the waterfront for all of us," said Stacey Jones, Director of Engineering Development.

Topics of discussion will include "how to"...

- Develop activities that reflect harbor culture and San Pedro history
- Promote San Pedro and the Waterfront as a "destination"
- Involve businesses, the art community, cultural institutions, and local non-profit organizations
