PORT'S SOLAR PROJECTS ADVANCE

The Port of Los Angeles has entered a long-term agreement with [Hecate Energy Harborside LLC](#), a wholly owned subsidiary of Hecate Energy LLC (HECATE), to build, operate, and maintain photovoltaic (PV) solar power systems (PV Systems) that will generate electricity at multiple site locations within the Port. The PV Systems will feed clean energy to the utility grid operated by the Los Angeles Department of Water and Power (LADWP).

PORT'S MOVIE NIGHT COMES TO LIFE

On Friday, October 16th, approximately two thousand people came out for a free movie night hosted by the Port of Los Angeles. Jorge R. Gutiérrez' animated film "[The Book of Life](#)" was shown at two locations - the Downtown Harbor and Wilmington Waterfront Park, as part of the Port's [Fall and Winter Events Calendar](#) along the [LA Waterfront](#).

UPCOMING EVENTS

HARBOR AREA YOUTH TO BENEFIT FROM PROGRAMS THROUGH ITEP, LAMI

"ITEP is focused on preparing students with the skills and knowledge needed for a career in global trade and logistics...without the Port of Los Angeles' support, many local students would not have the opportunity to experience all that ITEP and its many academies have to offer."

**- Amy Grat, Chief Executive Officer
International Trade Education Programs,
Inc.
on Harbor Commission's ITEP grant approval**

\$4.9 MILLION APPROVED FOR PORT'S SAMPSON WAY REALIGNMENT

Los Angeles County Metropolitan Transportation Authority recently authorized \$4.9 million in funding for the Sampson Way Realignment Project at the Port of Los Angeles. The funds are to be available in FY17 and FY18. The expansion of Sampson Way in San Pedro into a scenic boulevard will facilitate public access throughout the [LA Waterfront](#) and better connect the waterfront with downtown San Pedro.

CERT DISASTER TRAINING DRILL TO BE HELD AT WORLD CRUISE CENTER

Friday, October 23, 2015

5pm to 10pm

Berth 92

The Los Angeles Port Police, in conjunction with other emergency response departments, including the Los Angeles Police Department, Los Angeles Fire Department and the United States Coast Guard, as well as Community CERT members and civilian volunteers, will conduct a CERT disaster training drill at the Port of Los Angeles' World Cruise Center on Friday, October 23, 2015 from 5pm to 10pm.

This drill is not open to the public, but the public and community members should be aware that this is only a drill, and there is no cause for concern.

Multiple emergency vehicles will be on-site at the World Cruise Center for this disaster simulation drill, which will include over 150 participants including emergency responders and civilian volunteers.

For further information, please contact Stacey Creech, Community Relations Officer, Los Angeles Port Police screech@portla.org
