

SECTION TWELVE WATER AND ELECTRICITY	Item No.
<p style="text-align: center;">FRESH WATER RATES</p> <p>Fresh water supplied by the Department of Water and Power of the City of Los Angeles is subject to changes in rates without notification from the Harbor Department. When delivered to vessels at wharves and for services supplied in connection therewith through pipelines of the Harbor Department, a service charge of fifteen per cent (15%) of the cost of such water will be added for the use of such facilities including wharfage. (See Note)</p> <p>NOTE: A maximum charge of \$31.53 for each normal billing period (monthly) or fraction thereof will apply.</p> <p style="padding-left: 40px;">In addition, the following charges will be made:</p> <p style="padding-left: 40px;">(1) Service charge for portable meter, when furnished.....\$7.89 (2) Rental charge for each 50-foot section of water hose, when furnished.....\$7.89</p>	<p>[A] 1200</p>
<p style="text-align: center;">PENALTY FOR ATTACHING HOSE OR TAKING WATER WITHOUT PERMISSION AND WITHOUT THE USE OF PORTABLE BACK FLOW PREVENTION APPLIANCE</p> <p>For the purpose of preventing contamination of fresh water supply on wharves, the Harbor Department has furnished at each terminal portable back flow prevention appliances for use at all vessel service water outlets and hydrants. It shall be unlawful for any person to attach a hose to a vessel service water outlet or hydrant for the purpose of taking water on board any vessel without first attaching a portable back flow prevention appliance between said hose and said water supply outlet. It shall be unlawful to attach a hose to any other water outlet or hydrant upon any wharf or wharf premises, or to use any water hose or meter, or to take any water or attempt to take any water therefrom, except from regularly installed drinking stands, without permission first having been obtained from the Executive Director, and without having paid or agreed and arranged to pay therefor; provided, however, that any person may attach a hose, or otherwise use the water from any such outlet, for fire fighting purposes during the actual occurrence of a fire.</p> <p>Any violation of this Item shall subject such persons to the general penalties provided in this Tariff.</p>	<p>1205</p>

See Item 10 for explanation of abbreviations and symbols.

Correction No. 355	Order No. 6822 Ordinance No. 176951	Adopted May 25, 2005 Adopted September 6, 2005	EFFECTIVE: October 29, 2005

SECTION TWELVE – Continued WATER AND ELECTRICITY – Continued		Item No.
ELECTRICITY FOR POWER AND LIGHTING		
<p>Electric current supplied by the Department of Water and Power of the City of Los Angeles is subject to changes in rates without notification from the Harbor Department. When furnished to vessels at wharves and for services supplied in connection therewith through facilities of the Harbor Department, a service charge of fifteen percent (15%) of the cost of such electric current will be added for the use of such facilities.</p> <p>+ Neither this Item 1210 nor any other provision of this Tariff shall prevent the entity or person billed for electric current for the purpose of reducing air emissions at the Port of Los Angeles from passing all or a part of the cost of such current, on to another entity or person that uses or benefits from such electric current.</p> <p>Charges for connections and extension of light or power circuits to vessels or for wharf lighting, including the installation of sub-meters, shall be at the actual costs of labor supplied and materials used plus a service charge of fifteen percent (15%).</p> <p>On assigned berths a charge will not be made for connections for wharf lighting or power where such service is through permanent connections.</p> <p>Application for temporary connection shall be made to the Executive Director.</p> <p>Every passenger vessel carrying passengers for compensation that connects or is caused to connect to shore side electrical power shall, in addition to Item 605 in this Tariff, pay for the cost of electrical current supplied and invoiced by the Department of Water and Power of the City of Los Angeles through the Harbor Department using the actual kilowatt hours consumed by said vessel during the Department of Water and Power of the City of Los Angeles billing period(s). In the event Item 605, AMP System Costs Passenger Fee in this Tariff is canceled, the Harbor Department may invoice AMP System Costs as defined to passenger vessels that connect or are caused to connect to shore side electrical on a pro-rata basis.</p> <p>* Note 1. Ocean going vessels that are supplied electric current at the Port of Los Angeles by the Department of Water and Power of the City of Los Angeles through facilities of the Harbor Department and invoiced by the Harbor Department for the purpose of reducing air emissions at the Port are exempt from the 15% the service charge otherwise applicable to the cost of such electric current.</p>		[C]+ 1210
CHARGE FOR USE OF ELECTRICAL MECHANICAL REFRIGERATOR BOXES		
<p>The rental charge for use of electrical mechanical refrigerator boxes (Subject to Notes 1 and 2) furnished, installed and maintained by the Harbor Department of the City of Los Angeles shall be:</p> <p>\$157.66 each, per month.</p> <p>Note 1. Applies only for boxes of less than 71 cubic meters, overall.</p> <p>Note 2. Does not include furnishing electricity.</p>		1220
