Frequently Asked Questions

TRANSPORTATION

Does every school receive a bus subsidy?

No, limited bus subsidies are available. When completing the online reservation, it must be stated that you will be applying for a bus subsidy. All schools must follow through with the appropriate paperwork for consideration.

What is the process for receiving a bus subsidy for LAUSD Transportation buses?

Schools booking LAUSD Transportation buses must make their own bus arrangements:

- Complete and submit the top portion of Form 78.20R ([Authorization for Payments of Student Body and/or Reimbursable Trips](#)) to edtours@portla.org.
- The bottom portion of the form will be signed by Port staff and returned to your school representative/teacher, for you to submit to LAUSD Transportation Division. Please retain a copy for your records.

By completing this form, LAUSD will invoice the Port directly for (up to) \$300 towards your transportation costs. This option is available only to LAUSD schools.

What is the process for receiving a bus subsidy for non-LAUSD Transportation buses?

Schools booking non-LAUSD Transportation buses must make their own bus arrangements:

- Complete and submit the [Bus Subsidy Request for Reimbursement](#) form to edtours@portla.org.
 - If approved, the Port will sign and return the reimbursement form to the school coordinator/teacher.
- Make your bus reservation. LAUSD Schools must use a bus company that is on the approved list.
- Your school or school district is responsible for paying the bus company for transportation costs. If your Bus Subsidy Request for Reimbursement form is approved and you submit an invoice as noted below, the Port of Los Angeles will reimburse you for (up to) \$300 of your bus transportation cost within one month of your trip.

What if our transportation cost amounts to more than \$300?

Your school will be responsible for the difference over the \$300 allotment per school for transportation.

How many bus subsidies does a school qualify for?

The Port provides **one subsidy per school year** to qualifying schools. This is to extend the tour opportunity to as many schools as possible.
