

# Wilmington Waterfront Development Project Draft Environmental Impact Report (DEIR)

## Comments

The public review process is intended to allow agencies and the public to provide feedback to the Port on the project, alternatives, mitigation measures, and any other information that may help us prepare a comprehensive Final Environmental Impact Report for the Wilmington Waterfront Development Project. Public comments from community, civic and industry stakeholders are encouraged. Please submit your comments by letter or on this Comment form and drop in to Comment Box at the January 15, 2009 Public Meeting, 6 pm at Banning's Landing or mail to the address below.

Comments can also be submitted by email at [ceqacomment@portla.org](mailto:ceqacomment@portla.org). **Emails must reference "Wilmington Waterfront Development Project" in their subject line and must include a valid mailing address from the person(s) submitting the comment. Your name and a mailing address must also be listed below in order for your comment to be accepted into the public record.**

COMMENTS: (Please use the reverse side if necessary.)

THIS PROJECT IS WONDERFUL !!! NEEDS TO HAVE MORE FOCUS ON GREEN TECHNOLOGY (SOLAR/WIND/WAVE.) MAKE THIS PROJECT CUTTING EDGE. TOWN SHOULD BE SOLAR.  
ALL PLANTS AND TREES MUST BE NATIVE + DROUGHT RESISTANT. GET A GOOD RESTAURANT IN HERE / PARKING SHOULD BE DOUBLE DECKER  
I'M VERY GLAD THAT YOU ARE DOING THIS PROJECT IN PHASES.  
HOW MANY RED CAR MUSEUMS ARE BEING PLANNED?  
GOOD SIGNAGE ALL OVER - A MERCADO WOULD BE GREAT.  
LET'S GET LOTS OF CONCERTS, EVENTS - THINGS TO MAKE WILMINGTON A REAL DESTINATION (NOT A JOKE!!!)
