San Pedro, CA 90731  
Tel: 310/732-3508  
After 5:00 p.m.:  
310/732-3500

**SAN PEDRO, Calif.** – Log on to [www.portoflosangeles.org](http://www.portoflosangeles.org) to access firsthand information about the Port of Los Angeles, the number one containerport in the nation. Review the latest cargo statistics, Harbor Commission and Port Community Advisory Committee meeting agendas and various business opportunities the Port has available. Take a virtual tour to learn about the history of Los Angeles Harbor, or visit the Port's News Room to keep informed of current events. From community relations to recreational activities to waterfront development, the Port's new web site is *the* source for information about the Port of Los Angeles.
